

University Aviation Association

27th Aviation Policy Seminar for Students

- ✈ Students and faculty facilitators will spend the week on-site in the nation's capital attending briefings & seminars from the NTSB, the FAA, Congressional staff, and industry associations agencies.
- ✈ Students will be able to network with others from across the country and gain valuable exposure to leaders in these organizations.
- ✈ Students will have the opportunity to gain a better understanding of how these agencies interact in establishing aviation policy and what job opportunities may be available in the aviation industry.
- ✈ Faculty and students will gain valuable insight into how they can participate in the process now and in the future.
