

**Call for Papers
for the
Hcm2010 Collegiate Aviation Review (CAR)
and the
2010 UAA Fall Education Conference**

Both qualitative and quantitative research manuscripts are acceptable. All submissions must be accompanied by a statement that the manuscript has not been previously published and is not under consideration for publication elsewhere.

All authors will be required to sign a “Transfer of Copyright and Agreement to Present” statement in which (1) the copyright to any submitted paper which is subsequently published in the *CAR* will be assigned to the University Aviation Association (UAA) and in which (2) the authors agree to present any accepted paper at a UAA conference to be selected by the UAA, if requested.

Authors should email an electronic version of their manuscript to the editor, conforming to the guidelines contained in the *Publication Manual of the American Psychological Association*, 6th ed. (APA). The UAA review process incorporates editorial input and recommendations from “blind” peer reviewers. A list of all reviewers is available from the *CAR* editor and is published annually in the *CAR*. If the manuscript is accepted for the publication, the author(s) will be required to submit a final version of the manuscript via e-mail, in “camera-ready” Microsoft Word format, by the prescribed deadline. *Authors should use the previous year’s CAR for guidance in format and page layout.*

All manuscripts must be emailed no later than December 1 (Spring Issue) or June 1 (Fall Issue), and should be sent to the editor, at CARjournal@uaa.aero.

Questions regarding the submission or publication process may be directed to the editor at (615) 494-8755, or may be sent by email to: CARjournal@uaa.aero.

Students are encouraged to submit manuscripts to the *CAR*. A travel stipend up to \$500 may be available for successful student submissions. Please contact the editor or UAA for additional information.
